New Loading Dock Entrance at the Javits Center

August 2018

As part of the ongoing expansion project at the north end of the Javits Center's campus, a new loading dock entrance has opened on West 40th Street near 12th Avenue in Manhattan. The former West 39th Street entrance has closed permanently for all deliveries.

All drivers will continue to check in at the appropriate check-in office on 12th Avenue between West 35th and West 36th streets. Truck queuing will remain on 12th Avenue from West 34th to West 39th streets.

When notified by the general contractor, drivers will proceed through the new truck entrance on West 40th Street and check in at the Javits Center security booth. Signage will be positioned to direct traffic to the new entrance.

"The expansion project is moving forward at a steady pace, and this new entrance has opened to ensure the project's progress continues while minimizing the impact on our move-in and move-out operations," said Doreen Guerin, Senior Vice President, Sales and Marketing at the Javits Center.
