

Early Vessel Tickets Available

November 2018

Early tickets are now being offered for the highly anticipated opening of the Vessel at Hudson Yards in Spring 2019!

Be one of the first to talk walk the monumental structure by signing up for dedicated time slots and dates in the coming months. At 150 feet tall, the honeycomb-like structure contains nearly 2,500 individual steps, 154 interconnecting stair cases and 80 landings, giving a 360-degree view of New York City.

Described as New York City's Eiffel Tower, the unprecedented tourist attraction will allow visitors to interact with New York's newest neighborhood that includes the Javits Center – with its own ongoing expansion project – as well as the Hudson Yards/34th Street subway station, the High Line and Hudson River Park.
