A NEWSLETTER FOR JAVITS CENTER CUSTOMERS

Javits Center Welcomes 7 Riders

October 2015

To celebrate the first week of the new 7 subway station in September, the Javits Center distributed bottles of water to hundreds of thirsty straphangers, including attendees for the recent fashion shows. Communications Manager Priscilla Odoom and Communications Assistant Indira Turney coordinated the effort with help from our Exhibitor Solutions team, including Alexandra Ancy, Gabriella Ortega, Pilar Ponceano and Melanie Revilla.

The enthusiastic Javits Center team welcomed visitors to the neighborhood, fielded questions and provided directions as needed.
